Devonshire Club is now accepting applications for Founder Membership

UPDATED WITH NEW IMAGERY ON 9/8/16

Devonshire Club, which will open its doors in June following the £25million renovation of its site in Devonshire Square, looks set to be one of the hottest spots in town. The best news? You can be a part of the excitement. The Club is looking forward to welcoming new members, and is offering the chance to apply for a Founder Membership.

The Club will offer impressive facilities designed to cater to the needs and wishes of the discerning, cultural and intellectual elite and will occupy all six floors of the listed 9th-century Regency warehouse near Liverpool Street.

The interiors, designed by March & White, create an elegant space throughout, and include a magnificent bespoke glass chandelier by Seguso, custom-made furniture by British master craftsmen and stained glass windows by Harry Cardross.

“The City has been crying out for a truly exceptional and sophisticated Club to serve the needs of its discerning audience,” said the Club’s managing director Brian Clivaz. “The huge level of interest that we have received over the past few weeks has confirmed this. Membership to Devonshire Club will undoubtedly become one of the hottest tickets in town”.
